President's Note

The 2017 – 2018 Fort Wayne Photography Club Changes!

Hello members,

The Joint Executive Board meeting was held on June 8th and several decisions were made that will result in changes in the way the club operates for the 2017 / 2018 season. These changes include:

- **Revised hours for competition & critiques,**
- **5 Digital competitions and 3 Print competitions,**
- **Updates to the Constitution,**
- **Updates to the 2017 / 2018 Schedule Of Events,**
- **Selection of Category Themes.**

Revised Hours

The board decided to set competition hours from **7:00pm to 9:00pm.**

Print Competition

A survey was conducted to determine how many, if any, Print Competitions the club should have for the 2017 / 2018 season. There will be three print competitions and five digital competitions. In addition, there will no longer be Novice and Advanced sections for print competitions. So Novice and Advanced will both compete together under each theme. Club members will be able to enter up to four images for each print competition. However, you can only enter one print per category.

Print entries will be accepted 30 minutes prior to 7:00pm. Maximum size for the matt is 72 inches which is a measurement of the matt / print's height and width times two (16 inches + 20 inches times 2 (for example).

Digital Competition

Digital images will need to be submitted via email to the FWPC web site (fwphotographers.com).

There will still be two groups, Novice and Advance. File size and marking remain the same as last year.

Updates to the Constitution

The 2017 / 2018 Board decided to review the Constitution and By-Laws and update, if necessary, the language or requirements to reflect current club operations. Any changes will be presented to the club members and voted on at the 2018 / 2019 Joint meeting.

Schedule Of Events and Category Themes

The 2017 / 2018 Schedule of Events and Category Themes are included in this Cable Release and will be included in the monthly edition of the Cable Release.
